

Fateme Mehrbakhsh

Personal Information

Name: Fateme Mehrbakhsh

Phone: +98 (039) 890- 0205

Email: Fateme.mehrbakhsh1996@gmail.com , f.merhbakhsh96@sbmu.ac.ir

Education

M.Sc. in Audiology 2023- Dec 2025 Tehran

Shahid Beheshti University of Medical Sciences, Tehran, Iran

Thesis: Recognition of segmented words and non-words in children with learning disorders

B.Sc. in Audiology 2016-2020

Jundishapur University of Medical Sciences, Ahvaz, Iran

GPA: 18.64 /20 (4 /4)

Research Interests

- Auditory Neuroscience - Central Auditory Processing Disorders (CAPD)
- Event-related Potentials
- Electrophysiological Tests
- Pediatric audiology

Publications

Published manuscripts:

2016-2020

1. Zahra Iran Pour Mobarakeh, Fatemeh Mehrbakhsh, Mehran Amiri & Marzieh Amiri
(2022): Have newborn hearing screening programs been affected by the COVID-19
pandemic?, Hearing, Balance and Communication
<https://doi.org/10.1080/21695717.2022.2122334>

Submitted manuscripts

1. A comparison between brain fog risk factors, validity and reliability brain fog scale

Ongoing projects

1. Comparison of auditory recognition of segmented words and nonwords in children with and without learning difficulty
2. Development of segmented word and nonword test

Honors

- 8th ranked participant at Iranian University Entrance Exam for Master's Degree in

Audiology.

- Awarded Tuition-waiver at Shahid Beheshti University of Medical Sciences.
- Ranked within the top 2 percent of participants at the Iranian University Entrance Exam

for Bachelor's Degree.

- Awarded tuition waiver at Jundishapour University of Medical Science.

Work Experience

Research Assistant (RA)

Jan2023-present

Sports Medicine Research Center

- Conducted research in neuroscience

Audiology Internship

2023-2025

Shahid Beheshti University of Medical Science, Tehran, Iran,

Apprenticeship in Electrophysiological tests

Organizer (volunteer work)

Des 2023

Shahid Beheshti University of Medical Science, Tehran, Iran

Organized the 19th Iranian Congress of Audiology

Audiologist (full-time) 2022-2023

Farhangian Parvindikht Nezami Clinic, Fasa, Fars, Iran

Audiology Internship 2017-2020

Jundishapour University of Medical Science, Ahvaz,

Apprenticeship in hearing evaluation of Imam Khomeini Hospital's patients
under the supervision of my professors.

Selected courses

M.Sc. Courses

- | | |
|---|------------|
| - Electrophysiological Tests | 19 (4/4) |
| - Auditory and Vestibular Neuroscience | 17.75(4/4) |
| - Evaluation and fitting of hearing aids (Advanced) | 17.5(4/4) |

B.Sc. Courses

- | | |
|---|------------|
| - Tinnitus and central auditory system evaluation | 18.5(4/4) |
| - Evaluation and fitting of hearing aids | 18.71(4/4) |
| - Anatomy and Physiology of Auditory and Vestibular Systems | 17.25(4/4) |

Skills

- IBM SPSS
- Microsoft Office (Word, Excel, PowerPoint)
- Reference Management (EndNote)
- Teamwork

Languages

Persian (Native)

English (Proficient - IELTS Academic: Overall Score 7.5)

- Listening: 7.5
- Reading: 8.5
- Speaking: 7
- Writing: 6.5

Hobbies

Watching movies, listening to music, and cooking
